This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Petition of Thomas P. Sharpe, Alma L. Sharpe and George W. Barfield, Jr. dba American Custom Services (the Petitioner), whereby the Petitioner seeks certain relief in the nature of the approval of an amendment to its Application for a Class E Certificate of Public Convenience and Necessity to reflect a modification to the name of the partner appearing on such Application. Specifically, the Applicant requests the approval of the following modification:

FROM: Thomas P. Sharpe
TO: Thomas D. Sharpe

The Petitioner asserts that the relief requested constitutes merely a change in the name of the partner appearing on the Application for a Certificate. The Petition further indicates that

the change of name does not involve a change in ownership, officers, or operation of the business.

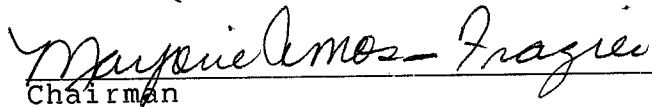

Based upon a thorough review of the matters asserted in the instant Petition, the Commission is of the opinion that the relief sought by the Petitioner herein should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the Petition for modification of the Application for a Class E Certificate of Public Convenience and Necessity, by changing the name of the partner thereon, be, and hereby is, approved.

2. That this Order shall remain in full force and effect until further Order of the Commission.
